DETAILED ACTION

Response to Amendment

1. Applicant's amendment was received on 7/13/06 and has been entered and made of record. Currently, claims 1-5 and 7-33 are pending.

Response to Arguments

2. Applicant's arguments, see pages 10-14, filed 7/13/06, with respect to claims 19-33 have been fully considered and are persuasive. The rejection of claims 19-33 has been withdrawn. Particularly, Arakawa (JP 06195421 A) fails to disclose vector data generated along each axis of the line graphic, information on a first color of the line graphic, and information on a second color of the enclosed area.

Allowable Subject Matter

3. Claims 1-5 and 7-33 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach, or suggest the claimed limitations of (in combination with all other limitations in the claims), detecting information concerning line widths of the extracted line graphics, detecting of a first

color of the line graphic, and detecting a second color within an extracted enclosed area, the area enclosed by the extracted line graphic, as set forth in claims 1, 13-14, 17-19, 24, and 29.

The closest prior art, previously noted as Arakawa (JP 06195421 A), discloses extracting line graphics based on raster data, generating vector data based on the line graphics, and detecting a color of the area enclosed by the line graphic. However, Arakawa fails to disclose detecting information concerning line widths of the extracted line graphics, detecting of a first color of the line graphic, and detecting a second color within an extracted enclosed area, the area enclosed by the extracted line graphic, as set forth in the claims.

Therefore, for these reasons, claims 1-5 and 7-33 are rendered allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
